

## Pali-English Glossary

THIS GLOSSARY INCLUDES only (a) important doctrinal terms, and (b) words and meanings not found in the PTS's *Pali-English Dictionary*. The latter, compiled by Ven. Nāṇamoli in a section of his manuscript, are here marked by an asterisk and are followed by references to the Majjhima passage where they occur. All terms are defined only by way of the meanings they bear in the Majjhima Nikāya, and no account is taken of meanings they may have in other Buddhist texts. The Pali words are listed here in Indian alphabetical order.
